

PERMANENT MISSION OF THE REPUBLIC OF THE PHILIPPINES  
TO THE UNITED NATIONS AND OTHER INTERNATIONAL  
ORGANIZATIONS, GENEVA

**REQUEST FOR QUOTATIONS**

**For the Upgrade of the CCTV System and Access Control of Entrance Doors of  
the Philippine Chancery in Geneva, Switzerland**

The Philippine Mission to the United Nations and Other International Organizations in Geneva, Switzerland invites reputable dealers/suppliers to provide quotations for the upgrade of the CCTV system and access control of entrance doors of the Philippine Chancery in Geneva.

**I. Background and Objectives:**

CCTV cameras - the location of CCTV cameras installed at the Chancery:

1. Main entrance
2. Rear of the building (only covers the side of the building)
3. Reception area
4. Consular section work area
5. Consular processing area
6. Basement escalator corridor

The location of the CCTV monitor is at the reception area. Additional CCTV cameras are needed to be installed at the rear of the building, basement parking area, inside the Chancery, the Consular Section and the elevator. Additional CCTV monitor/computer is also needed to be installed at the room of the Administrative Officer or Security Officer with remote access for continuous monitoring. Microphone for recording at the Consular Section.

Access control of entrance doors – The control for the opening of the doors at the main entrances and the consular section is at the reception desk. If the reception desk is unmanned, guests/clients have to wait outside the building before they could enter. The Consular Section should also be given access control of the entrance in case the reception desk is unmanned.

Deadline for submission of quotations is on 11 November 2022

The Philippine Mission will notify the supplier which has been selected in accordance with procurement regulations, through email, personally and over the phone after deliberations.

For inquiries and clarification regarding the above quotation, please communicate with:
