

## PH ENVOY HIGHLIGHTS EQUITY AND INCLUSION IN GLOBAL NORMS-BUILDING ON HUMAN RIGHTS AND NEW TECHNOLOGIES AT GLION DIALOGUE IN SWITZERLAND

GENEVA- Ambassador Evan P. Garcia, Philippine Permanent Representative to the United Nations in Geneva, attended the Glion Human Rights Dialogue in Montreux on 25-26 May 2023- The Dialogue is organized annually by the Universal Rights Group and selected sponsors as a multistakeholder event involving diplomatic missions, international organizations, civil society, academe and others.

The theme for this year was Technology and Human Rights. Ambassador Garcia, in his interventions, stressed the urgency of appreciating the needs and perspectives of the Global South in the rapidly evolving field of new and emerging technology (NET), which impacts Human Rights worldwide. He said full account must be taken of the issues of development, equity, inclusion and representation in global rule- and norm-making in this crucial endeavour to make technology safer for all peoples.
