

PERMANENT MISSION OF THE REPUBLIC OF THE
PHILIPPINES TO THE UNITED NATIONS AND OTHER
INTERNATIONAL ORGANIZATIONS, GENEVA

REQUEST FOR PROPOSALS

The Permanent Mission of the Philippines in Geneva invites interested resource persons/speakers to submit written proposals to conduct a hybrid Seminar on Women's health on 21 March 2025 to increase awareness among its personnel and the Filipino community members in Geneva and Vaud, on the key health concerns affecting Filipino women today, particularly breast and cervical cancer.

For further details, interested resource persons/speakers may contact Attaché Morice Briones (morice.briones@dfa.gov.ph). Proposals must be submitted not later than 13 March 2025, delivered to the Mission or sent to the aforementioned email.

The Permanent Mission intends to complete the procurement on 13 March 2025 and reserves the right not to accept any proposal(s). Funding for the procurement of the above service shall come from the budget of this office.
